Soccer Shots Global Goals is the philanthropic arm of Soccer Shots. Through this non-profit organization we seek to impact children involved in our Soccer Shots program as well as positively influence disadvantaged children in the US and around the world. We, at Soccer Shots, aspire to be a franchise community that leverages our success to help others. The Soccer Shots Global Goals tag line “Stronger Youth. Beyond the Game.” concisely describes our collective efforts to provide opportunities for youth in underprivileged communities directly and indirectly through the game of soccer.

We have been inspired by the 2010 World Cup being held on the continent of Africa for the first time in history! For the period leading up to the World Cup in June 2010, Soccer Shots Global Goals will focus on Khayelitsha, South Africa, an impoverished township outside of Cape Town where many children have lost parents to HIV/AIDS and are in the care of the community.

Soccer Shots has pledged \$30,000 to our partner Amandla Ku Lutsha, a South Africa – based organization that works in Khayelitsha. Their mission is to empower and educate disadvantaged youth through soccer. In order to reach our financial goal, **\$1 of your child’s registration fee will go toward this pledge.** Throughout the fall and spring Soccer Shots seasons your child will learn more about the Global Goals – South Africa.

We’re excited about Global Goals – South Africa and the significant contribution you, your center, and the entire Soccer Shots system will make to positively affect the youth of Khayelitsha. Thank you for signing your child up for Soccer Shots and your support of the Global Goals – South Africa campaign!

Agreement to Participate in Soccer Shots®

Participation in all sports can be inherently dangerous and, regardless of the care taken to avoid injury, it is impossible to ensure the safety of all participating individuals. The game of soccer is no exception. In fact, soccer has many inherent dangers. It is a sport that demands cardiovascular fitness, coordination, and agility. Players may spend more than 45 minutes in intense physical activity and must be constantly aware of their surroundings (other players, goalposts, and the ball itself). Although soccer is not generally thought of as a contact sport, at competitive levels, it is. Although many risks can be avoided, some simply cannot.

While playing soccer, accidents do happen. Some of these accidents may be minor like collisions with other players, collisions with the ground, and being struck by the ball. Other accidents may be more significant like collisions with the goalposts. Other injuries may also include:

- 1) minor injuries like scrapes, bruises, strains, blisters, and sprains;
- 2) more serious injuries like broken bones, concussions, muscle tears, and ligament tears;
- 3) catastrophic injuries like heat stroke, cardiac arrest, and death

To reduce the risk of injury, participants are expected to abide by the following rules:

- 1) all participants are expected to be physically fit before Soccer Shots begins
- 2) all players must adhere to the rules of soccer, thus creating a safe playing environment

The above-mentioned participant agrees to follow the preceding safety rules, all posted safety rules, and all rules common to the sport of soccer. Furthermore, the above-mentioned participant agrees to report any unsafe practices, conditions, or equipment to the Soccer Shots instructor.

I certify that the above-mentioned participant 1) possesses a sufficient degree of physical fitness to safely participate in soccer, 2) understands that he/she is to discontinue activity at any time he/she feels undue discomfort or stress, and 3) will indicate below any health-related conditions that might affect his/her ability to play soccer and he/she will verbally inform the Soccer Shots instructor immediately.

I have read the preceding information and/or it has been explained to me. I know, understand, and accept the risks associated with participation in soccer, and I am voluntarily enrolling the participant registered above in Soccer Shots. In doing so, the participant is assuming all of the inherent risks of the sport. I further understand that in the event of a medical emergency, Soccer Shots will call EMS to render assistance, and that I will be financially responsible for any expenses involved.

Waiver of Liability: In consideration of being permitted to play soccer, on behalf of myself, my family, my heirs, and my assigns, I hereby release Soccer Shots, its agents, and its employees from liability for injury, loss, or death to the above-mentioned participant while using any facility or equipment, or in any way associated with participating in the activity of soccer now or in the future, resulting from any negligence of Soccer Shots, its agents and its employees.
